Disclaimer

This publication reflects our current assessment without claiming to be complete, balanced, or correct. The information contained in this publication does not constitute an offer or an individual recommendation or solicitation to buy or sell investment instruments or to engage in other transactions. It is for information purposes only and represents a snapshot of the market situation. The content of this publication may change at any time due to changed circumstances, and we are under no obligation to update information once it has been published. Price information is provided without guarantee. Assessments and evaluations of price developments, such as buy or sell signals, are merely opinions which may be correct or incorrect. They do not mean that the price will in fact develop this way in future. The figures provided refer to actual past results in the currency shown and are not a reliable indicator of future results. Please note that the value of an investment may rise or fall. Investments in foreign currencies are also subject to currency fluctuations. Preservation of the invested capital can therefore not be guaranteed. The indicated performance figures are based on market values, but additional costs may be incurred upon purchase (details are available from your client adviser). The information used herein is derived from public sources we consider reliable, such as Bloomberg and MSCI. The analysis method is based on fundamental data and chart techniques (further details can be found in relevant textbooks or summaries thereof, e.g. at https://www.wienerborse.at/wissen/analyse-strategie/). NEUE BANK AG or the authors of this publication do not hold any of the shares presented, or at least less than 0.5% of the share capital, and do not receive any remuneration from the company for this publication. In this regard, please refer to point 3.16 Remuneration policy of our "Disclosure policy" and our "Information on dealing with potential conflicts of interest", both published at www.neuebankag.li. NEUE BANK AG does not provide legal or tax advice in connection with any investment ideas. We recommend that you obtain advisory services in this regard from an independent legal or tax adviser. When making investment decisions, please obtain advice from qualified personnel. If you have any questions about the terms used here, please contact your client adviser. Without any limitation, we accept no liability for any loss or damages whatsoever (direct or indirect and consequential damages) arising from the use of this publication.
